

# HP Designjet T790 ePrinter series

An easy plug-and-play large-format ePrinter.

### So easy and intuitive, you'll love using it.

- Print to any HP Designjet printer without installing any drivers thanks to free HP ePrint & Share<sup>1</sup>.
- Save time with accurate page previews, and discover the power of touch through its colour touchscreen that enables easy printing.
- Secure your investment: this HP ePrinter is Web-connected and easy to update. Software updates occur automatically, every six months.
- Create a print-ready PDF<sup>2</sup> file at the same time you print with HP ePrint & Share<sup>1</sup>.

### Print high-quality results at fast speeds.

- Achieve high-quality results: the 6-ink system has matte and photo black, and grey to produce true neutral greys and a wide range of vivid colours on plain and glossy media.
- Produce fine detailed lines with 0.02 mm minimum line width<sup>3</sup>, and highly accurate drawings with innovative printhead technology and Original HP inks.
- Get the job done quickly without sacrificing quality: print up to 2 A1 prints per minute in Economode.
- Print complex files as easily as simple ones with 8 GB virtual memory<sup>4</sup>.

### Access and print files where the job takes you.

- Print TIFF, JPEG, and PDF<sup>5</sup> files directly from your USB flash drive – no computer required.
- Walk up to your printer's touchscreen, access files on the Web, and print them with HP ePrint & Share<sup>1</sup>.
- Select and share projects using the touchscreen thanks to HP ePrint & Share<sup>1</sup>.
- Send plans directly to your office or the client site, even when you're on the go, and print remotely<sup>6</sup> to any large-format HP Web-connected Designjet from your computer or mobile device.

<sup>1</sup> HP ePrint & Share is a free Web-printing solution that lets you automatically manage content online. It requires an Internet connection. Download ePrint & Share: [www.hp.com/go/eprintandshare](http://www.hp.com/go/eprintandshare)

<sup>2</sup> Requires AutoCAD plug-in.

<sup>3</sup> Using HP-GL/2.

<sup>4</sup> Based on 640 MB RAM.

<sup>5</sup> PDF files only available with PostScript accessory (optional accessory to be purchased separately) or buying PS versions.

<sup>6</sup> Remote Printing will be available by end of 2011.
