

HP Designjet T1300 1118mm ePrinter

Easy-to-use and versatile ePrinter with two rolls for greater productivity.

So easy and intuitive, you'll love using it.

- Print to any HP Designjet printer without installing any drivers thanks to free HP ePrint & Share¹.
- Save time with accurate page previews, and discover the power of touch through its colour touchscreen that enables easy printing.
- Secure your investment: this HP eprinter is Web-connected and easy to update. Software updates occur automatically, every six months.
- Create a print-ready PDF² file at the same time you print with HP ePrint & Share¹.

Do more in less time with two rolls, fast setup, printing and sharing.

- Save time and paper with two rolls. Load the printer with the same or different paper types and sizes.
- Get the job done quickly without sacrificing quality. Print up to 2 A1 prints per minute in Economode.
- Achieve high quality results – the 6-ink system has matte and photo black, and grey to produce true neutral greys and a wide range of vivid colours on plain and glossy media.
- Experience trusted security and manageability with features like HP Web Jetadmin and an embedded Web server.

Access and print files where the job takes you.

- Print TIFF, JPEG, and PDF³ files directly from your USB flash drive – no computer required.
- Walk up to your printer's touchscreen, access files on the Web, and print them with HP ePrint & Share¹.
- Select and share projects using the touchscreen thanks to HP ePrint & Share¹.
- Send plans directly to your office or the client site, even when you're on the go, and print remotely⁴ to any large-format HP Web-connected Designjet from your computer or mobile device.
